Baptist Training Union To Meet At Bethany Monday

The quarterly Training Union Meeting of the Coffee County Baptist Association will be held at Bethany Church, Monday, March 27, at 7:30 p.m. Karl E. Seese, director, will be in charge.

County eliminations will be held for the Better Speaker's Tournament for young people, also for the Junior and Intermediate Bible Drills. Several churches will have participants in the events. The winners in the county eliminations will compete in the District Tournament at Eufaula April 17.

The Speaker's Tournament and the other events are part of the Southwest training program sponsored by the Training Union Department of the Southern Baptist Convention. The winners at the District meeting in Eufaula will be given a trip to the State Training Union Assembly at Shocco Springs in June. State winners will go to Ridgecrest, North Carolina, for the Southwest events.

There are about 40 churches in the Coffee County Association with Training Unions with a total membership of nearly 4,000.

Westside Spring Revival To Begin Sunday For Week

The Spring Revival at the Westside Baptist Church will begin Sunday, March 26, and continue through Sunday, Mar. 2.

Regular services will be conducted Sunday. The Sunday School will be at 9:45 a.m. and Training Union will be at 6 p.m. The morning worship will be at 11 and evening worship will be at 7. The daily services will be at 7:30 p.m. The pastor, Rev. Wesley Bozeman, will do the preaching. Mr. Bill Buchanan of Birmingham, will lead the singing.

A special effort is being made in Sunday School to break the record attendance of each class. The over-all goal in attendance is 278 in Sunday School on April 2. A goal of 125 in Training Union has been set for Sunday night, April 2.

On Saturday night, March 25, a special service will be conducted at the housing project. This service will be at 7:30 p.m. Plans have been made to furnish transportation for anyone in the project. These plans are being made by the Christian Witness Committee of the Brotherhood. Grady Thomas is chairman of this committee.

Other members of the committee are J. B. Clark, Milford Ennis, John Gallimore, J. W. Moody and Cecil Mooney.

Heart Attack Fatal While Riding In Car

Robert Lawrence Mills, 46, automobile salesman of Elba, died suddenly from a heart attack while riding in a car Friday, last week.

Mr. Mills and Edlow Oglesby, a fellow salesman, were riding west on Opp highway with Oglesby driving. The driver said Mr. Mills suddenly slumped in to the seat. He stopped the car at the next store and called a physician who pronounced him dead upon arrival.

He is survived by the widow, Mrs. Gertrude Mills of Elba, two sons, Cabot and Bobby Mills, both of Elba; a brother, Dalton Mills of Atlanta; four sisters, Miss Mary Connor, Mrs. Myrna Cole and Mrs. Wayne Griffin, all of Phenix City, and Mrs. Bruner Smith of Atlanta.

Funeral services were held at Danley Cross Roads Church Sunday with burial in the church cemetery.

Grain Survey Made In Coffee County

A survey will be made of all farms in Coffee County which produce feed grains, according to E. L. Dean, Coffee County Office Manager. Agricultural Stabilization and Conservation office.

The survey is being conducted throughout the "major feed grain producing area" which includes Coffee County, as an advance step in connection with proposed feed grain programs now under discussion. The proposals would include adjusting the 1961 acreage of corn and other feed grains.

Mr. Dean explained that it is planned, as far as possible, to interview from the county office at New Brooklyn each farm operator or owner in Coffee County whose farm has produced feed grains either in 1959 or 1960. Each producer has been assigned a date and an hour to be interviewed. Should any producer fail to get a notice he should contact the county office and furnish the grain information by March 17, 1961.

The County office will be open Saturday, March 11, to serve the public. The office hours are 7:30 to 1:30 a.m. and 12:30 to 4:00 p.m.

Revenues Increase For Coffee County During Fiscal Year

Coffee County went deeper into the red by \$73,343.98 during the past fiscal year. The figures are those released by the Department of Examiners of Public Accounts, Montgomery.

Covering the period ending September 30, 1960, the report shows that Coffee County had a total indebtedness of \$711,439.89. On September 30, 1960, the indebtedness was \$658,093.71.

The revenues increased during the year by \$226,233.14 to reach a new high of \$1,037,137.18. The revenue a year previous had been \$710,904.04.

The county expenditures were also up by \$225,376.56. Total expenditures for the fiscal year were \$866,963.27. Expenditures for the year before had been \$641,586.71.

Also climbing was the assessed property value in the county. The listed assessed values for September 30, 1960, were \$18,674,554. This was an increase of \$9,004 above the previous September and one of the smallest increases in years.

The constitutional debt limit allowed under this valuation (three and one-half percent of valuation) is \$389,609.29. However, only \$127.18 is charged against the debt limit. All other indebtedness is charged against accounts exempted from the debt limit by legislative action. The accounts are retired by money specifically earmarked for that purpose.

The tax rate totals 21 mills with the state receiving 5 and a half mills and the county 14 and a half mills.

Broken down by specific funds, the county received the following money during 1959-60: from state sources; general fund, \$28,022.19; gasoline funds, \$83,077.40; other funds \$4,717.70. From local funds: general fund, \$94,901.02; road and bridge fund, \$35,814.61; gasoline fund, \$5,067.20; public highway and traffic fund, \$19,935.55; other funds, \$679.45. Other receipts added to the accounts as follows: general fund, \$4,348.53; road and bridge fund, \$6,109.89; gasoline funds, \$65,601.69; gas warrants issued, \$28,724.61; other funds, \$245,000.

Combined from the various sources, the total revenues by funds were as follows: general fund, \$127,361.74; road and bridge fund, \$44,924.50; gasoline funds, \$59,320.34; public highway and traffic fund, \$19,935.55; other funds, \$679.45. Total, \$1,037,137.18.

Of the total revenues, \$466,146.43 came from state sources; \$161,326.03 from county sources; and \$409,764.72 from other sources.

The cash and investment account of the county showed a good improvement of \$183,518.13 over the year before. The account on September 30, stood at \$422,496.14.

The expenditures by funds were: general fund, \$115,594.12; road and bridge fund, \$41,724.21; gasoline funds, \$55,599.16; public highway and traffic fund, \$29,935.55; other funds, \$184,345.92.

The figures do not include interfund transfers. Operations of the Farm to Market Fund included in the gasoline fund. The county indebtedness of \$711,439.89 was represented by four gas tax anticipation warrants totaling \$573,000, and bearing interest at rates from 2 and one-half percent to 3 and one-eighth percent; notes to the Enterprise Banking Company totaling \$85,560; payable fund, \$42,919.91; and road and bridge fund \$127.18.

Folsom Compares 2-Year Road Work

A statement was issued today by Farmer Governor James E. Folsom to compare roads built during the first two years of his administration and the first two years of the Patterson administration.

"Since the present administration has seen fit to make comparisons with the Folsom administration, we wish to correct the record as follows:

"Folsom Administration, 1955, 14,129 miles of road completed; 1956, 2,012 miles of road completed; total 3,425.11."

"Patterson Administration, 1959, 1,244 miles of road completed; 1960, 1,234 miles of road completed; total 2,474."

On the bright side of the ledger, Mickey McCollough and Bob Duram, both all-SAC first team last year, return to bolster a boy's line which includes Lamar Kelley, Harold Hudson, Harold Cain, Charles Pearce, Joe Spurlin, Bert Casey, John Holloway, and Sammy Edmondson. Several boys will from the Bee team will give reserve strength.

Free Returns
In the backfield, free-returning Fullback Rudolph Free returns as the only starter, but bright prospects in the form of Halfbacks Mack Watson, Jimmy Holley, and Johnny Yarrington, Guard Wayne Bryant, Center Robert Parker, and Guard Wayne Taylor.

Hospital Contract To Be Let In June

Drexel Cook, chairman of the Elba City Council Monday that contract for completion of the building is expected to be signed in early June, less than three months from now.

"There is a common impression that when the application was approved we should start pouring concrete the next day," Mr. Cook said. "Actually, approval of the application meant that we received a fulling cabinet full of forms to be filled out, and we expedited the operation by taking the completed forms to Montgomery and presenting them personally rather than mailing them," he said.

Mr. Cook estimated total cost of the hospital at about \$425,000 with the city, state and federal governments sharing in the cost. It will be at the corner of Highland Drive and Smith St.

Present mayor Mayor Roberts and Councilmen Murphy, Taylor, Ziglar, Lindsey and Smith.

Electric Co-op Sets Up Year of Records

Reports presented to the Board of Trustees of Alabama Electric Cooperative at its annual meeting in Andalusia on March 17, revealed that 1960 was a "year of records" for Alabama Electric, with new peaks being reached in many fields.

A generation and transmission electric cooperative, Alabama Electric provides electric power at wholesale to six South Alabama municipalities which own and operate their own power distribution systems; to five rural electric distribution cooperatives in South Alabama and one in Northwest Florida, and direct to two industries.

In addition to the officers, other members of Alabama Electric's Board of Trustees include: William H. Brown, Andalusia; J. L. Chanell, Sr., Opp; Corley Chapman, Troy; F. W. Crenshaw, Greenville; Frank Earle, Blacksher; J. R. Ellis, Lincoln; F. M. Lyon, Opp; C. L. Morgan, Wetzel; H. H. Shanks, DeKalb; J. S. Whitman, Dadeville; and H. T. Woodruff, Jay, Fla.

Includes Elba
Rural electric distribution cooperatives served are South Alabama Electric, Troy; Covington Electric, Andalusia; Wiregrass Electric, Hartford; Southern Pine Electric, Eufaula; Pea River Electric, Ozark; and Choctawhatchee Electric, DePueville Springs, Fla.

Maury A. McWilliams, Prattville druggist and farmer, who has served as President of the Alabama Electric since it began operation in late 1944, was re-named to the top position on the Board.

Also re-elected were Vice-President W. D. Folmar, of Goshen, and Treasurer J. S. Whitman, of Dadeville. H. T. Woodruff, Jay, Fla., is General Manager.

Sales Increase
McWilliams reported that revenue for 1960 totaled 271,063,982 KWH, an increase of 8.8 per cent over 1959 sales, and that a new record peak demand of 64,780 Kilowatts was established on Alabama Electric's system last year.

Citing "vigorous new growth" which occurred during 1960, McWilliams stated that 25 new expanded industries were announced for the area presently served by Alabama Electric's member power distributors. These new and expanded industries represent a capital outlay of several million dollars and will result in the creation of more than 1,500 new jobs, he said.

Ingram, in the annual financial report, said that 1960 revenues reached a new high of \$2,299,882. He reported that net operating margin for 1960, to be credited to Alabama Electric's consumers, totaled \$111,505.62, bringing the total allocation for the period from 1944 through 1960, to \$2,249,592.

Capital credits repayments to consumers totaled \$246,916 at the end of 1960, Ingram stated.

Loan Payments
Loan repayments made during 1960 amounted to \$426,096 in principal and interest, bringing to \$32 million the total amount repaid to the Rural Electrification Administration (REA), Ingram said. He stated that by 1966, annual loan repayment requirements would be in excess of \$500,000.

Ingram reported that Alabama Electric's plant investment had increased from \$16 million in 1945 to 164 million by the end of 1960, and that 1960 loan payments were in excess of \$102,000.

General Manager Thompson presented detailed reports comparing 1960 operations with those of 1959, and prior years. He reviewed a \$80,000 construction program carried out during 1960, which included erection of four new power substations, and other system improvements.

Thompson also discussed with Trustees plans which are being developed to meet future power requirements of Alabama Electric's system. He reported that 1960 payroll for 150 employees exceeded \$851,000, and that two awards for 1960 were made for the completion of more than 200,000 man-hours worked without a disabling accident.

Municipal electric systems served by Alabama Electric are Andalusia, Troy, Opp, Elba, Lawrenceburg, and Brundidge. Industries served direct are the Opp and Media Cotton Mills.

Progress Reported In Rovers Survey

U. S. Corps of Engineers have completed a study of possible freight traffic in the Choctawhatchee-Pea River basin and finished a compilation of food damages, according to John Creel, president of the River Development Association.

National Park Service has sent representatives to investigate recreational values and benefits to be derived from creation of lakes or reservoirs in the basin. They toured the river several weeks ago and held conferences with Association officials in Geneva,

Russia Wins Friends As U. S. Spends . . .

Will Rogers used to say "All I know is what I read in the papers", but these days there's cause to wonder how many people know what they read.

For instance: a daily newspaper columnist named Holmes Alexander recently went to great lengths to show that the loss of Cuba to Castro was due to degenerates in the U. S. diplomatic service.

Then next day the Associated Press carried a news account that Western Europe is spending ten times as much money as Russia to aid needy countries. With the United States shelling out more than half the Allied bill.

Despite all this money funneled from the pockets of U. S. taxpayers to needy countries, the Communists are winning in Laos and Castro continues to be a Communist menace on the U. S. doorstep.

Why?
Mr. Alexander may be right as far as he goes in detailing how an enemy of America won Cuba, but that's like treating a sore with salve when the real trouble is blood disease. Cuba is only one of many hotspots throughout the world where the Communists win friends while America spends money.

The cause goes much deeper than any individual, or group of individuals.

The system is to blame.

The United States continues to load down its diplomatic service with political appointees and other misfits while Russia trains its diplomats for important posts. For instance: when Russia sends a consul to Bombay, he not only knows the history and economics of India, but speaks the local Bombay dialect. By contrast: when America sends a consul to Bombay he probably can't say "Good Morning" in the Indian language, much less know anything about the history and economy of India.

There is a cure.

There is a bill pending in Congress to establish a U. S. school of diplomats on the same footing as the school for Army officers at West Point and the school for Navy officers at Annapolis.

Until our country awakes to the fact that diplomacy is as much a science as war, then we will continue to spend the money while Russia continues to win the cold war. There was a time in American history when Fourth of July orators were commissioned Army majors while trained soldiers served as sergeants, but no more.

When America entered World War II our Army and Navy were led by generals and admirals who had spent a lifetime studying the science of war, and there was hardly a private who went into action without at least a year's training.

Yet this country continues to select salesmen and political hacks for its diplomatic service, in the same way it once selected Fourth of July orators for Army officers. To quote Will Rogers again: "America has never lost a war or won a conference."

MR. RETAILER !

YOU LOSE 3 OUT OF 10

Customers Every Year AND 30 PER CENT OF YOUR BUSINESS LEAVES WITH THEM!

Hard to believe, but true! If yours is an average business, you LOSE 30% of your customers each year. If you don't believe it, look through last year's accounts and see how many are no longer active.

WHY ?

DO YOU LOSE THEM ?

Through death, moving to another community or through the efforts of hard - driving competitors - a variety of reasons, some of them beyond your control.

At the same time, there's a normal business increase Of Only 4% Each Year.

That leaves you facing a 26% handicap each year - a handicap you must overcome if your business is to remain healthy and profitable.

What Do You Do About It ?

The answer lies in better merchandising, better planning, more vigorous promotion of fast - selling goods and service.

The surest, most profitable method of sales promotion is consistent, timely newspaper advertising.

ADVERTISING IS THE LIFE OF TRADE

(The Above reprinted from The Montgomery Advertiser)

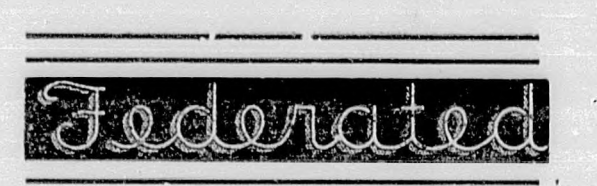

And advertising is news. Newspaper readers want advertising because it's news. They want to read about the latest values. Surveys have shown that, among the various features in a newspaper, advertising ranks first in interest with the women and second with the men.

Nothing sells a city to the surrounding area like a newspaper. Nothing sells a merchant's products like a newspaper.

4-H CLUB REPORTS AND EVENTS

By Tom Cassidy

I had a letter from Franklin Wilkes describing his trip to the National Food For Youth-power meeting held in Chicago. Franklin reports having the time of his life. I certainly con-

gratulate Franklin on having achieved the distinct honor of being both a district, state and national winner.

TRACTORS—
Perry Wilson, a Curtis Community boy and former 4-H member and I plan to be in Ozark March 23 at a one-day demonstration acre. Principal James Bowers is doing a good job with his boys in the New-Elba club in project work this year. In fact, project intentions in all the clubs in the county are considerably better than last year. Boys in the New-Elba club who are carrying out a corn demonstration are Ronald Bryan, Bobby Hodges, Wayne Marler, Jerry Nelson, Billy Pope, Junior Tadlock, and Rex Bryan.

Goodman 4-H boys receiving corn and who are carrying out a demonstration are Daryl Anderson, Joe Glason, Dunny

Destiny In Home Studied By FHA

"Our Destiny As Homeowners" was the title of a program given by the New Brockton F.H.A. members at their March meeting.

An inspiring devotional, "Hands", was given by Amelia Herring. Judy Sawyer also took part in it by singing "He" and "The Lord's Prayer."

The subject of a discussion for Future Homeowners was given by Linda Polson, entitled "The Boys' Opinion."

"Teenage Marriages" were then discussed by Linda Roberts and Paye Bowers.

During the recreational period Linda Roberts led the group in singing Irish Songs in connection with St. Patrick's Day.

The St. Patrick's Day theme was beautifully carried out in refreshments which were served in the Home Economics Department.

From Our Early Files

22 YEARS AGO

Sgt. George Parker, of Maxwell Field, surprised his parents, Mr. and Mrs. A. J. Parker, of Elba by landing his plane in back of their home here. He was accompanied by another airman from Maxwell who flew the plane back to its base. Sgt. Parker remained to visit his parents and returned to Montgomery by bus.

YOU NEVER SAW THIS NEWSPAPER

Thrown into the gutter or a waste basket before it was read, did you? But waste baskets and gutters are constantly being filled with unopened, expensive direct advertising, sales ammunition shot into the air.

A newspaper always commands an audience with prospective customers. It is never thrown aside without first being read from "kiver to kiver". Then it is borrowed by the neighbors.

That's why intelligent, attractive newspaper advertising is accepted as the most effective form of advertising your business.

An advertisement in this paper will reach over 75 per cent of the buyers in the local trade territory. We do the mailing and pay the postage.

LIGHT AMONG THE SHADOWS

There is a deep gloom that sometimes enshrouds the human soul. It comes silently, and usually without warning. Like an evening fog it seems to rise out of the marshes and immersion in its chill tentacles.

Men call it by many names. To one it is UNCERTAINTY. To another, WORRY. To the most harassed, FEAR.

But always it hides the brightness in life... and makes us feel the surrounding shadows.

There is a gleam of faith that is capable of penetrating the gloom. It seems to leap time and space to unite the soul with God. Men call it PRAYER.

And whether in the quiet of meditation, or in the thrilling union of a congregation at worship, it pierces life's shadows. It lights our next step!
